- Natural Gulches
- Community Greeway
- Transportation Corridor (includes bike and pedestrian)
- Proposed Preservation Areas or Historical District
- Documented Heiau or Ko'a
- Known Fish Ponds
- Proposed Town Centers

DRAFT MAUI ISLAND PLAN 2030

Urban growth boundaries would be defined by greenbelts shaped along existing natural gulches and traditional ahupua'a boundaries. Areas of high cultural or biological value would be excluded from development and protected as heritage resources.

- URBAN GROWTH BOUNDARY 2020
- URBAN GROWTH BOUNDARY 2030
- TRANSPORTATION CORRIDOR (includes bike and pedestrian use)
- GREEN WAYS AND GREEN BELTS

White added in lower gulches for clarity.
